Attention, Silver Men.

There will be a meeting of Silver men tonight at headquarters to make arrangements for a ratification of the glorious victory and to transact such other business as may come before the meeting.

Smooth Work.

Prof. Mulder is about the smoothest rascal that ever did up Carson. The sheriff is telegraphing all over the county for him.

The town is full of men who continue to say: "I told you so." Many of them fought the ticket till they saw it was waste of time, and then fell into line like a gang of sack followers against a bar. It won't do for any man who did not assert himself from the infancy of the silver movement, to claim at this late hour that he was with us. Such work is too foggy to stand this climate.

Clothing and Furnishing Goods.

John Henderson, representing Wanamaker & Brown of Philadelphia the largest clothing and merchant tailoring house in America will be at the Arlington Nov. 13 and 14, and every two weeks thereafter with a line of Fall and Winter goods. Don't miss this opportunity of getting your clothing for one-half the usual price. Perfect satisfaction guaranteed.

A. Livingston now practically controls the wholesale liquor trade of the city. He is continually adding to his stock and sells only standard brands. He is also introducing some excellent California wines to the people of Carson, as well as foreign and domestic cigars of the finest quality. Drop in and inspect his stock.

TWO MEN SHOT TO DEATH

The Next Senate will be Republican.

WEAVER GETS 30,000 MAJORITY IN KANSAS.

California Elects a Democratic Legislature

Special to the APPEAL

California's Democratic Congressmen.

San Francisco, Nov. 9.—Probably the entire seven Congressmen will be elected by the Democrats. Ryland will be elected in the Fifth district and English will probably be in the Third district. The State Legislature will be Democratic in both branches.

Sacramento, Nov. 9.—The State Legislature will stand 66 Democrats and 54 Republicans on the joint ballot.

DeYoung Defeated.

San Francisco, Nov. 9.—Most of the Republicans say the cause of their defeat in California was the efforts of Mike DeYoung to force his way to the U. S. Senate, by corrupt methods. The Republicans all over the State rebuked DeYoung at the polls.

Two Men Killed.

Jewett, Texas, Nov. 9.—News has been received of a fight at Leona in which Jim McKemson and Wm. Rogers were shot and instantly killed and an old man named Magill and a negro were wounded. No particulars.

Ellert vs. O'Donnell.

San Francisco, Nov. 9.—The fight for mayor of San Francisco was very close between Ellert, the non-partisan candidate, and O'Donnell, the Independent candidate. It will require official vote to decide the result.

The Next Senate.

New York, Nov. 9.—A Western Union bulletin says that the United States Senate will probably stand: Republicans 45, Democrats 40, People's party 3.

Ohio Goes Democratic.

Columbus, Ohio, Nov. 9.—The returns this far show Democratic gains of 1,200. The Democrats claim they will carry Ohio.

Weaver Carries Kansas.

Topeka, Kan., Nov. 9.—The Weaver majority in Kansas will reach 30,000.

Nailed Him.

At the second ward on Tuesday, Tremor Coffin attempted to vote Frank Silva under the name of John Silver. Walter Chedic dropped on it that it was Frank and not John, as he knew John well. He challenged the vote, but Coffin coolly insisted that it was Frank. Chedic had him sworn and he said under oath that his name was Frank, and took the ballot.

Chedic said: "If you vote that I'll send you to jail." At this the man dropped the ballot and ran out of the door. He hasn't been seen since.

He Was True Blue.

Some attempts have been made to show that Louis Epstein, the restaurant man, was not true to the silver ticket.

The editor of the APPEAL knows that Mr. Epstein was "straight goods" on election day and that for weeks prior to the election he was rendering valuable service for the whole ticket and dozens of leading silver men know the same thing. We believe it went in without a scratch.

A Pair of Trumps.

It is hard to find a more solid pair of business men in Carson than Bell, Edwards & Co. When a customer calls on these gentlemen and asks for something they don't happen to have in stock it is secured at once, even if the method is inconvenient to them. It costs very little to live high and eat delicacies when you purchase them at this institution. Watch their new advertisement in tomorrow's edition.

The funeral of Ida Rafetto took place yesterday from the Catholic Church.

NOTHING DONE.

No Offense to Threaten Life in Ormsby.

The Doane came before Justice Hawthorne yesterday. Coffin and Summerfield seemed to appear for the defendant.

Summerfield made a play of acting as District Attorney, and the eye play between the two when they made a bluff of trying the case was very amusing to the crowd.

Alex McGowan, Mr. Connelly and his son and one other witness testified that Doane with his hand in his hip pocket called Fox a "lying son of a b—," and added, "I'll kill you," etc. Horace Dorsey testified that he only said, "I ought to kill you."

This also was Doane's idea of it. The Court held that if Doane would take his advice and not have his hand in his hip pocket next time he called a man foul names, he would not put him under bonds.

Coffin tried to bulldoze Dr. Guinan and wanted him fined for contempt when he tried to testify.

The trial was a farce, and now it is easy to see why it was postponed until after election. Had such a result been had last Monday, Hawthorne would have been snowed under by 200 majority.

How the Battle Went.

The French, led by Napoleon Cice fell on the flank of the county ring about 8 o'clock in the morning, taking them completely by surprise. About 10 the Italian forces commanded by Garibaldi Raffetto charged the line with fixed ballots. In the midst of the din was heard the command of Nebuchadnezzar Cohn as he swung his troops in line, shouting, "To your tents, oh Israel."

As the enemies' columns gave way the Irish forces headed by the intrepid cavalry leader, Timothy Connolly, fell like a whirlwind on the left wing just as the colored battery headed by Lieutenants Flint and Harris opened their canonade on the broken columns of the enemy and the work was complete.

These auxiliary reserves were of immense assistance to the people's and taxpayers' brigade which marched with considerable force over the field carrying all before it.

WANTED—A boy to work on a ranch. Apply at this office.

ALL SORTS.

The people win in a canter.

How about that "copper," Eddie?

The signal flags predict fair weather.

McGowan had the biggest majority on the ticket.

A large gob of gloom is hanging over the county ring.

All hail to Newlands! He has snowed under the gold bugs in good shape.

Senator Jones left Stewart to fight the battle of the people when silver was at stake.

It's the purest nonsense to talk about sacks when the Australian ballot law is on deck.

Dr. P. T. Phillips is quite sick with typhoid fever at the residence of his brother in Reno.

The Douglas people claim that it was Poirade's speeches that ruined their prospect in this election.

Bartine did not capture a single legislative vote. The Wall street touch silver men in Nevada.

After paying their election bets the Republican have had to mortgage their overcoats to secure cigar money.

Hirsch Harris, the silver candidate for the Assembly from Douglas county, carried the county by 55 majority.

A misprint in yesterday's APPEAL gave McCabe one majority in Carson precinct. Ellis, majority was 49 in this precinct.

It is a shame for the G. O. P. to lay the blame of defeat on two such innocent goslings in politics as Randall and Murphy.

The Silver party carry Nebraska, Colorado, Idaho, and the Weaver Presidential electors in South Dakota, and probably Kansas.

This may be a "ghost dance" but it was not extremely difficult to find partners in the great waltz held in Ormsby county on the 8th.

Who says the silver men wanted to repeal the Australian Ballot law? A law that gives the people a whack at corruption is too good to lose.

Janitor Latta put in a good supply of fire wood in the State Capitol yesterday to keep the Republicans from freezing to death. It was a very cold day in that vicinity.

When McGowan walks into the office of the District Attorney January next, the poor people of Ormsby county will begin to receive justice on an equal footing with the rich.

There was a small political row in Gold Hill on the 8th, in which James Cunningham was stabbed by Joe Farnum with a miner's candlestick. The wound may prove serious. Farnum was jailed.

Senator Stewart came down from Virginia city last night. Although he has made the campaign of a war horse he looks as fresh as a daisy and is in good trim to go on to Washington and fight the battles of free coinage and prosperity for the silver States.

The Silver party will walk into the next Legislature with an avowed purpose to see that the desires of her constituents on any question of importance to this State will be listened to and not thrown out because they do not receive the sanction of the bosses and corporations.

When a poor devil who has been in the past driven up to the polls to do the bidding of his bosses, walks up and grips a silver man's hand you know that he has enjoyed the privilege of voting as he pleased under the Australian Ballot law and is satisfied with his work of wiping out the ring.

Make Him Governor.

The APPEAL takes this early opportunity of nominating Surveyor General John E. Jones for Governor.

Out of all the State officers he was the only man who in the silver fight stood true to the people and placed the interests of his State higher than the pelf of party.

His course has been a matter of general commendation by silver men all over the State.

A fitting recognition of his fealty to the cause of silver would be the presentation to him by the Silver party of Nevada, of the Governorship of the State.

Honest, capable, and a man with back bone, he is the man for the place.
